

Question 3

Was the relationship between the section (if any) and the course effective, and how could it be improved? What are the strengths and weaknesses of your teaching assistant (discussion section leader, lab section leader, grader or other assistant) as an instructor, and how might his/her teaching be improved?

Response 1

Ted Carl Rosenbaum

Ted was extremely helpful, and very good at bridging the law and econ issues.

Response 2

Ted Carl Rosenbaum

Our interaction with Ted was on an on-demand basis, but when we needed his help, he was always there with a quick and clear answer. Most of my interaction was with [REDACTED], with whom I worked on the case study for this class's final assignment. [REDACTED] was a terrific person to work for and is perhaps the most brilliant student I've met.

Response 3

Ted Carl Rosenbaum

Just because of the structure of the class, I didn't have many interactions with Ted. But he was very smart and super nice, and I never would have hesitated to ask him for help if the occasion had arisen.
